

eMudhra's Chairman Becomes Chairperson of Asia PKI Consortium (APKIC)

Chairman, Mr. V Srinivasan

eMudhra grows in stature with each passing. In one of the recent developments the company's Chairman, Mr. V Srinivasan, who holds the Chairmanship of India PKI Consortium, was elected to take over the reins of the esteemed Asia PKI Consortium (APKIC) — a global forum of 10+ countries that promotes awareness and adoption of PKI technology to enhance security in the digital world.

Mr. V Srinivasan was elected through a voting process by all the member nations and will serve a tenure of 2 years. And under his stewardship the consortium is expected to further the usage of PKI in light of emerging technologies such as Blockchain, IoT and technologies of the future such as Quantum computing.
