

emSigner for Contract Signing and Approval

What is the average amount of time it takes to create and approve a contract? It is 3.4 weeks as per a recent Forrester survey. Why waste so much time when you can create, review, edit, sign and approve contracts with up to 80% quicker turnaround time using emSigner, eMudhra's market leading signing and workflow management solution. Along the way our new-age paperless office solution also helps you to minimize risk while automating and streamlining each step of a contract's life for both inbound and outbound transactions.

Here are some of the highlights of emSigner:

- emSigner allows organization's lawyers to legally sign contracts to facilitate end-to-end digital workflow cycle
- With emSigner, companies can get the contracts counter-signed by people from outside the organization, using built-in KYC document upload facilities
- emSigner supports collaborative review and editing of contracts prior to contract finalization
